Among the most exciting events during the year was the 1960 football homecoming when the Trojans downed Charlton 42 to 0.

Julene Kincaid, freshman, and Jack Riley, senior, were announced as Homecoming King and Queen and later at the sock hop in the gym were presented their crowns and gifts. Spinning the records for dancing was Mike Dunn of WXLW.

ROYAL COUPLE . . . Jack Riley, senior, and Julene Kincaid, freshman, wear the crowns designating them 1960 Homecoming King and Queen. They are flanked by Shirley Surface, junior class president, and Norman Duke, representative of the football team, who presented the crowns. Dwight Jones and Glenda Kelley are in the background.

Community Joins In Halloween Festivities

Everyone in the community helped to make this year's Halloween Carnival a success. The Carnival, sponsored by the P.T.O., brought in proceeds amounting to \$3,800 and an approximate attendance of 3,500.

Each grade, one through twelve, had a booth, such as the cake walk, the pepsi throw, and the country store. Some of the organizations which had booths were *The Trojaneer*, Dad's Club, Little League, and Band Boosters.

Dramatics Club members presented three performances of a variety show. King Kevin Zaring and Queen Sandy Dorrell, sixth graders, reigned over the evening's festivities.

Christmas Cheer Glows at Party, Dance

Christmas vacation started on a happy note for the students of Center Grove. This year the annual Christmas party began with a series of skits presented by the Dramatics Club and chorus. Following the Christmas scene, presentations and the exchange of gifts took place.

The Christmas treat was again provided by the teachers.

That same day the senior class sponsored "The Mistletoe Prom." Approximately 50 couples danced in the gaily decorated foyer of the high school to the music of the Bluetones.

THE CHRIST IS BORN . . . Enacting the manger scene during the annual Christmas program are Dramatic Club members George Dewbrew, Steve Williams, Jim Gill, Sam Jones, Paige Fulmer, Larry Suding, John Harbert, and Larry Fahy.

INTERMISSION TIME . . . Couples at the Junior Prom take a break for conversation and refreshments.

Prom, Sock Hops Bring Gaiety, Laughter

The social highlight of any school year is the Prom. The 1960 Junior Prom, sponsored by the class of '61, was no exception. The gym was decorated as a French cafe. Decorations to carry out the theme "Evening in Paris" included stars, an Eiffel Tower and a fountain. Special guests for the evening were the

high school faculty and administration. Music for the evening was provided by the Bluetones.

Sock hops were sponsored by various organizations and classes to increase the respective treasuries while providing after-game fun for students.

HAVING A BALL . . . Typical of the many after-game sock hops is this scene following the homecoming game.

WHAT, A MURDER? . . . Principal "Quick Draw" Vandermeer explains during a pep session why he shot Tom "The Corpse" Coram. Those mourning for the loss of their friend are Paul Daily, Floyd Shirrell, and Norman Clemons.

Convocations, After-School Events

Routine of classes and studying was broken by a variety of convocations and programs. Among the convocations were speeches by Professor Richard Park of Franklin College and Ray Marquette, sportswriter for *The Indianapolis News*, and a one-act play presented by the Dramatics Club.

The cheerleaders, Pep Club, and Dra-

matics Club combined efforts to entertain students and increase school spirit at pep sessions.

In addition to these events, each week found students participating in a round of after-school activities. Typical examples include the journalism party, Spanish Club party, and the football banquet.

THE PROFESSOR SPEAKS . . . Richard Park, former math teacher at Center Grove and now a professor at Franklin College, explains to the student body the importance of good study habits.

Gym Classes Stress Physical Fitness

Physical fitness is the main objective of the physical education department. Students benefit by calisthenics, relays, basketball, volleyball, tumbling, and weight lifting. Instructors endeavor to show students the value of healthy bodies and alert minds, and stress the importance of teamwork, fair play, and sportsmanship.

Science Unveils New Worlds of Adventure

JIMMY COLEGROVE
GEORGE OSBORN
LEONARD ROBEY

Today, more than ever before in history, science is playing a role of major importance in the advancement of our country. To help educate students in the field of science, Center Grove offers courses in physics, chemistry, biology, and general science. Well-equipped biological and physical science laboratories are available to science students. One year of biology or general science is required for graduation.

Acting as head of the science department is Mr. Robey, who instructs physics and chemistry classes. Other science instructors are Mr. Osborn, biology, and Mr. Colegrove, general science.

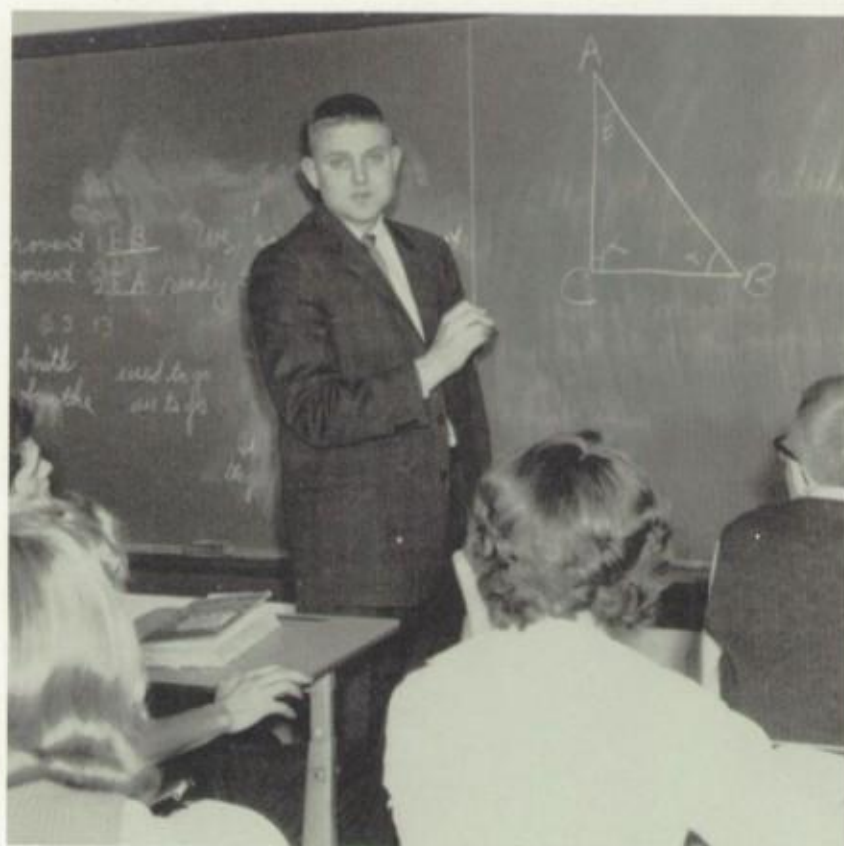

"HERE'S THE SECRET FORMULA," . . . explains "Professor" Robey to chemistry students, Donna Losey, Lewis Watkins, and Virgil Worrell.

Mathematics Trains Students To Think Logically

Mathematics creates a challenge to a student's power of reasoning. A full range of mathematics courses serves to train Center Grove students to think logically. One year of math is required for graduation. Students may choose from algebra, advanced algebra, plane geometry, solid geometry, trigonometry, general math, and business arithmetic.

Math teachers include Mr. Volk, algebra, geometry, and trigonometry; Mr. Sloop, seventh and eighth grade math and algebra; Mr. Gray, eighth grade and business arithmetic; and Mr. Robey, general math.

DIRECT OR INDIRECT OBJECT? . . . Mrs. Callahan is ready to give Leah McDonel and Bobby Shortt a helping hand in diagraming sentences.

Clear Expression Comes Through Language Arts

Problems arise between individuals and nations oftentimes because one of the parties does not communicate properly. To avoid such misunderstandings language arts courses offer students the opportunity to learn to express themselves. Clear expression comes through learning the fundamentals of English grammar and then putting this knowledge to work in writing

compositions, book reports, and term papers, in reading the world's great literature, in preparing and delivering speeches, and in writing for publication in the school newspaper and yearbook.

Four years of English are required for graduation, while speech and journalism are electives which are open to juniors and seniors.

"YOU TALK TOO MUCH" . . . Norman Duke proves that this saying doesn't hold true in speech class.

Citizenship Emphasized In Social Studies

LEARNING TO VOTE . . . Mr. Cline instructs the senior government class in the procedures of voting by machine.

A combination of current world affairs and history is the basis for the work of the social studies department. To meet graduation requirements students are required to take United States history, government, and economics. Pupils interested in furthering their knowledge of history may study world history. Movies, film strips, magazines, maps, and even trips to the Indiana legislature stimulate interest of the students.

High school teachers who instruct social studies classes are Mrs. Vandermeer, Mrs. Howard, and Mr. Cline. Junior high school teachers are Mrs. Davis, Mr. Bolton, and Mr. Bledsoe.

INDIANA'S NEIGHBORS . . . are the main topic of discussion for Mr. Bolton's seventh grade social studies class.

Foreign Languages Present Real Challenges

LEE LYDICK

MARGARET VANDERMEER

The age-old languages of the Spanish and Romans attract many Center Grove students. Spanish, taught by Mrs. Vandermeer, is offered to sophomores, juniors, and seniors. Students in all four grades may take Latin, which is taught by Mr. Lydick.

Those students pursuing careers in law, medicine, or languages are encouraged to take Latin. Much time is spent reading and translating the day's lesson and learning vocabulary words.

The beauty and culture of the Spanish people influence many students to take Spanish. Besides working the daily assignments, pupils enjoy conversing and reading Spanish. Many of these stories tell of Spanish customs and thus encourage pupils to dig deeper into Spanish history.

"ONCE AGAIN, CLASS" . . . Mrs. Vandermeer says to her Spanish students as they learn to pronounce the names of the months.

TEST DAY . . . Mr. Lydick gives instructions as the first year Latin class begins a test.

Music, Art Offer Outlets For Creative Pupils

CAUGHT IN THE ACT . . . Mr. Huyser places the finishing touches on a poster which is to be used for the Halloween Carnival.

WILLIAM BLYTHE

LLOYD HUYSER

Creativity is the keynote of Center Grove's music and art classes. Music students earn credit for participation in band and chorus. Vocal music is taught to seventh and eighth grade classes. In these groups music appreciation is emphasized through the use of records.

Art students learn the techniques of both commercial and fine art. Fall and spring find Mr. Huyser and his pupils taking to the hills surrounding Center Grove in search of beautiful landscapes. Visits to John Herron Art Institute in Indianapolis are eagerly awaited by art students. In addition to applying the correct techniques of color and design to their own projects, art students also learn about the lives and works of famous artists.

"TRY IT AGAIN" . . . Don Stropes, John Shanks, Phil Howard, and Danny Francis receive expert coaching from their instructor, Mr. Blythe.

Together . . .

We add more meaning to school life by participating in clubs and organizations. Our experiences in these activities help us to become well-rounded persons. We learn to work and get along with others, to accept responsibility, to be mindful of the social graces, and even to become "super-duper" salesmen.

Activities

SERIOUS OCCASION . . . Officers Roberta Ratliff, Janet Fulmer, Elaine Utterback, Glenda Kelley, and Phyllis Lovitt prepare for the formal initiation of freshmen into Sunshine Society.

Sunshine Society Spreads Good Cheer

"Charity for all" is the basis for Sunshine Society activities. Thanksgiving found members delivering baskets of fruit and groceries to the aged and needy. The main project at Christmas was sending mental health gifts to Muscatatuck State School. A contribution of \$150 was made to the Riley Fund which aids crippled and ill children.

Fund raising projects included a coat check at

basketball games and candy sales.

Center Grove was well represented at the state convention at Columbus High School.

Sunshine activities were directed by Elaine Utterback, president; Roberta Ratliff, treasurer; Phyllis Lovitt, vice-president; Janet Fulmer, recording secretary; and Mrs. Fulmer and Mrs. Robertson, sponsors.

SUNSHINE SOCIETY . . . ranks as the largest and most active of Center Grove's organizations.

THANKSGIVING BASKETS . . . Phyllis Lovitt and Jean Swartz leave school to deliver baskets of fruit to shut-ins.

Serving as Booster Club officers were Donna Losey, president; Sandy Adams, vice-president; and Louise Adams, secretary-treasurer. Mrs. Davis and Mr. Cline sponsored the organization.

Varsity cheerleaders attended both the Columbus

and Indiana University Cheerleaders' Conferences, while the reserve and freshman cheerleaders participated in the I.U. Convention.

Before the games pep sessions were held for the junior high and high school students with the varsity and reserve cheerleaders in charge. Presentation of skits was a new attraction at pep sessions. Two skits were performed by senior boys and one by the Dramatics Club.

VARSITY CHEERLEADERS . . . Leading cheers for the football and varsity basketball teams this year were Barbara Adams, Jill Baxter, and Judy Robinson, seniors, and Linda Morris, sophomore.

RESERVE CHEERLEADERS . . . Leading the Booster Club during reserve basketball games were Barbara Core, Marie Kincaid, and Shirley Surface, juniors, and Susan Dunn, sophomore.

STUDENT COUNCIL . . . Beverly Butler, Larry Vandenberg, Judy West, Randy Thomann, Judy Robinson, Mr. Himmelheber, adviser; Anita Esenwein, Leslie Jordon, Kenny Winecoff.

For the first time in several years Student Council assumed an active part in the school program. Composed of two representatives from each high school class, the council served as a link between the administration and student body. Members cooperated with a faculty committee to select varsity and reserve cheerleaders.

As seniors Randy Thomann and Judy Robinson were automatically named president and vice-president respectively. Anita Esenwein, junior, served as secretary-treasurer.

Nine seniors became charter members of Quill and Scroll, international honorary society for high school journalists. Chosen for membership were students who ranked scholastically in the upper third of their class and who had done outstanding work on the newspaper or yearbook staff. Formal initiation was held in April.

After completion of the 1961 Trojan, Quill and Scroll members conducted training classes for next year's yearbook staff.

Individuals who brought recognition to the band with their participation in the State Music Contest were

Donnie Stropes, cornet, first place; John Shanks, vocal, first place; and Phil Howard, cornet, second place.

The entire band made public appearances before the P.T.O. and Johnson County Teachers' Association. They also marched in Veterans' Day and Memorial Day parades.

Spanish Club started the year with an initiation party for seven new members. Mexican food — from

tortillas to wedding cakes — was served. The club also celebrated Christmas by singing carols in Spanish and breaking the traditional pinata. Their main project was the presentation of two short plays before the junior high school.

TEAMWORK . . . Steve Williams, feature editor; Paula Pratt, advertising manager; and Tom Coram, sports editor; confer over a sports page layout.

Room 4 was the scene of constant activity as students produced two school publications. Center Grove's monthly newspaper, *The Trojaneer*, was the project of a small, but energetic, journalism class. An increase in size from a four-column to a five-column publication marked a major improvement in *The Trojaneer*.

The yearbook staff also worked diligently to com-

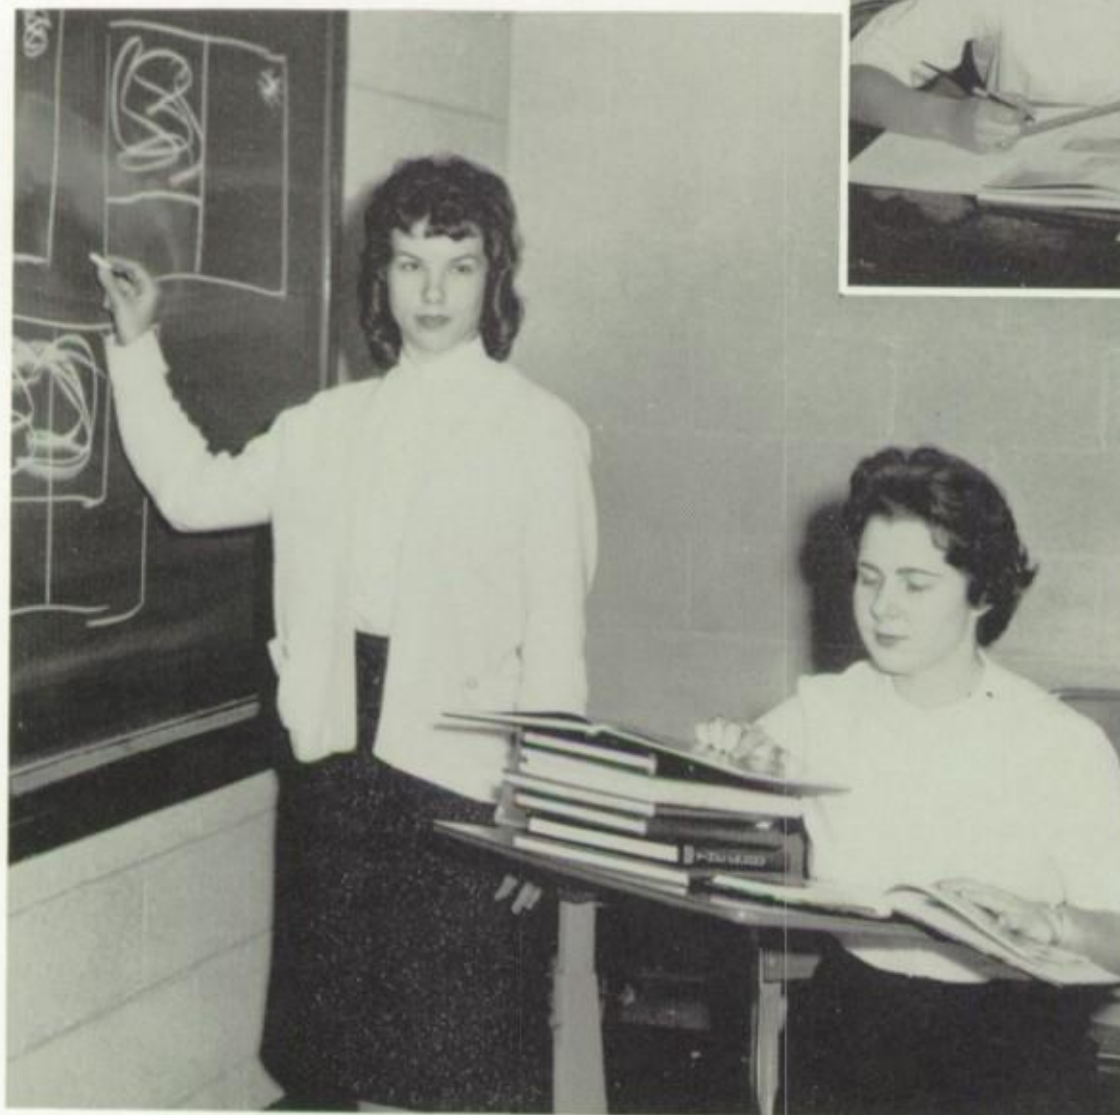

plete the 1961 Trojan by the February 25 deadline. Plans and layouts were started at the High School Journalism Institute at Indiana University, where Yvonne Bunte, editor, and Barbara Robertson, associate editor, spent two weeks during the summer.

In November the two staffs joined together for a party at the home of their adviser, Mrs. Miles.

Trojans Rack Up Best Season In Grid History

Center Grove this season enjoyed its best year since starting football five years ago. The Trojans, under the direction of William "Doc" Bolton, compiled a 7-2 record. Victories came over Brownsburg, Franklin Central, Dugger, Edinburg, Charlton, Mooresville and Danville.

Hard blocking, high spirit, and grim deter-

mination were factors in the squad's success. With Millard Sutton, state gridiron scoring champion, leading the way the Trojans outscored their opponents 241-127. The team gained 2,375 yards rushing and 481 yards passing, for a season total of 2,856 yards.

"THE WORK'S DONE . . . now it's time to rest," say Steve Williams, Norman Duke and Lewis Watkins in the dressing room following the Franklin Central game.

Fun, Hard Work Characterize Senior Year

Commencement on May 25, with red and white gowns as the traditional attire, is the finale for the 1961 Senior Class. It was a year filled with fun, enthusiasm, and hard work.

Students congregated between classes at their lockers in "senior row" to discuss assignments and make after-school plans. The rush to complete senior cords for the first basketball game created much enthusiasm.

Classwork brought a deluge of book reports, speeches, and term papers.

Another form of hard work was present as the class struggled to raise money for the Washington trip. Following a constant merry-go-round of selling magazines, candy, and tickets to suppers, the long-awaited tour of the nation's capital, from May 14 to May 19, became a reality.

Together . . .

We receive the training which will prepare us for the "big day" when we move into the high school building. As grade schoolers we dream of the time when we can replace our idols, the seniors, as sports heroes, cheerleaders, and student leaders.

Elementary

"TAKE A LETTER" . . . Otto J. Sloop, elementary principal, gets an early start on the day's work as he dictates a letter to his secretary, Mrs. Aileen Fulmer.

Elementary School Expands Into New Wing

Center Grove Elementary School, like so many schools around the nation, suffers growing pains. To lessen these overcrowded conditions a new eight-classroom wing was opened early in the fall semester.

Other facilities in the addition include a teachers' lounge and a spacious cafeteria. The new cafeteria formed the background for a variety of special events such as the football banquet and

P.T.O. reception.

Elementary classes benefited from the Halloween Carnival with purchases of new water fountains, records, and record players.

Halloween, Christmas, and Valentine Day gave students and teachers a break from regular studies. Each class held parties on these occasions with assistance from P.T.O. room mothers.
